

## 👉 Angels needed for St C's

It costs about £1,000 a week to run St Columba's Church. With rising heating and other costs, and a relatively low income congregation, regular giving from supporters of our mission to this area can make all the difference between a maintenance focussed church and a mission focussed church.

That is why we are looking for people who would be willing to become "**Columba's Angels**" and to commit to making a monthly donation to the ongoing work of St Columba's. If you would be willing and able to make a monthly gift please fill in the standing order form attached and send it to your bank.

Our quarterly **prayer breakfasts** regularly attract around 40 people to share fellowship together and prayer for God's work in our Parish.

## 📖 A Little History

The first place of worship with the designation "St. Columba" was opened in 1914, and is now the Church Hall. The original purpose built Church opened in 1929 but was destroyed during an air raid in 1943.

On 17<sup>th</sup> September 1960, the current Church was opened. In 2010, St Columba's celebrated the Golden Jubilee of the new building, remembering the words of the vicar in 1960, Revd Jim Roxburgh, which are just as apt today as they were over 50 years ago.

**"It's here ... to be used ... for worship.**

**"It is to be used too to proclaim ... that Jesus Christ is the Saviour of the world, and has reconciled God and man.**

**"It is to be used too to provide a place where men and women can have fellowship with God and with each other."**
