

St Columba's Teddy Bears' Picnic 25th August 2011

Everyone brought their teddy bear. Happy Henry Bear brought his, who he calls "Eddy the Teddy". Eddy is a lot bigger than Henry, which made everyone laugh (except Henry)

There were lots of fun crafts to do . . .

. . . sticking . . .

. . . decorating biscuits (and then eating them!) . . .

. . . drawing and colouring . . .

... and more sticking!!

With the teddy bears keeping a close eye on proceedings

and some great results

We played games like Hunt-the-Teddy and We're-Going-On-A-Bear-Hunt. We sang songs, and everyone joined in the actions (even the mums!)

Margaret read us a story about Jesus welcoming everyone and thinking that they are all important, including the little children.

Henry sang a song about the story

♪ Happy Henry is my name. ♪
♪ Many sick to Jesus came. ♪
♪ These he healed, and then some mums ♪
♪ Brought to him their little ones. ♪
♪ These he welcomed and he bless ♪
♪ Just like us and all the rest. ♪

Then we all ate our picnics (which was Henry's favourite bit), before it was time for everyone to say goodbye and go home after a lovely time.
